Interior Tonke Explorer

4 seats - fixed furniture set with swivel kitchen

The Tonke Explorer is designed for those who want maximum functionality without compromising on quality. The fixed furniture set with swivel kitchen makes optimal use of the ID.Buzz, while the innovative pop-up roof provides extra space and light. High-quality materials, smart layout and off-grid capabilities make the Explorer a complete and sustainable travel companion.

Features

- 4 seats and a fixed furniture set with swivel kitchen
- ID.Buzz long wheelbase with innovative pop-up roof
- Swivel kitchen by the right-hand sliding door, can be used both indoors and outdoors
- Clean and waste water tanks (19L / 16L)
- Furniture made of sturdy bamboo and powder-coated aluminium
- Yacht-quality stainless steel hinges and locks
- 2-burner induction hob
- Professional, permanently installed compressor refrigerator (36L)
- Power pack for off-grid use (2 kWh, 2 kW continuous, 230V sockets, USB ports, 12V connection)
- 230V connection with extension cord and CEE plug, incl. Schuko adapter
- Both front seats swivel

5. FAQ

1. What is the delivery time for a Tonke ID.Buzz with camper interior?
The delivery time varies depending on the chosen model and availability of the ID.Buzz. You can expect an average delivery time of 6 to 9 months. Please contact us for the current delivery time.

2. Can the Tonke pop-up roof also be fitted to other vehicles?
No, the unique Tonke pop-up roof has been developed exclusively for the long version of the Volkswagen ID.Buzz. It does not fit other vehicles or the short version of the ID.Buzz.

3. Can the pop-up roof be fitted to an ID.Buzz that I have purchased elsewhere?
No, the pop-up roof can only be fitted to vehicles supplied by Tonke. This is to guarantee perfect installation and finish.

4. Can I have a Tonke interior fitted in a short ID.Buzz?
Yes, but only the Trail interior without a pop-up roof is possible in the short version of the ID.Buzz. Other interiors are specifically designed for the long version.

5. How high is the Tonke ID.Buzz with pop-up roof?
The height of the ID.Buzz in combination with the pop-up roof developed by Tonke is 2.06 m.
